Thought that it was about time that I let people know whats been going on, here goes. We have had a very busy period of Public Duties since we passed Major Generals inspection. The lads have worked extremely hard and have continued to improve musically.

Kenya was cancelled and we managed to get on the Edinburgh Tattoo at short notice. The lads performed really well on the Tattoo, the flute players having to learn the side drum as the Director of Music wanted all Drummers drumming! I will try and get some pics on at some point. We are currently on leave and are looking forward to more Public duties some SF training and a KAPE tour in Yorkshire all coming up before Christmas.
