Dear Friends & Family,

This will be my last update for some time.

This will come as a shock to some of you, but I have made the monumental decision to take off for a complete year from Monday week. There are a number of reasons....

but the major contributor to my decision has been my involvement with a guerrilla group in Venezuela, which is fighting for freedom and justice against unbelievable odds. I have been in contact with this group for a number of years by email, and now will finally join them.

I know most of you will think I am totally crazy - - but I have not made this decision lightly. Nothing you can say or do will stop me from doing what I truly believe in.

I realize the timing is terrible and my family will suffer - - but I hope to see you again in happier days -when I return from my mission!

THE TEAM!!!
